WGA SPRING TEE OFF

The 1992 Spring Tee Off (previously known as the Banquet) will be held on Tuesday evening April 7th. This year we will have the usual sign-up, except that it will be one hour later at 6:30 p.m. We won't be having a sit-down meal this year, but we will have pop and beer as usual. We encourage you to eat before you come to the sign-up. We are trying to curtail costs this year and return more of the \$\$ back to the membership in weekly prizes and through the raffle. I think you will see that the meeting won't be as long as usual. We will go right to the meeting after sign-up, and finish the evening with the equipment raffle.

WGA DUES REMAIN THE SAME

Yes, believe it or not, the W.G.A. dues will remain the same. We will still have the same handicap system which is always included in the dues. The W.G.A. dues are \$25.00, & the league charge is \$10.00, for a combined total of \$35.00. The league fee is always returned in full to the members throughout the league schedule. This year we are going to limit league membership to the first 176 men that join the league. This gives us 22 players per team, with eight teams comprising the league. When membership exceeds these numbers we have some people who find it difficult to finish their rounds because of darkness.

We are offering golf shirts & hats with the W.G.A. logo embroidered on them at the sign-up for a package price of \$25.00, which represents a savings of \$5.00. A lot of people wanted these items, so we purchased them and we would like to get this money back into our treasury. Please support the W.G.A.

Our Handicap/Scratch Tournament will also be held again this year. This is always a hit, and is enjoyed by W.G.A. members. We will try to have it on a Sunday later on this summer. You must have a W.G.A. handicap established to play in this tournament.

Our Match Play Tournament sign-up will be the night of the Spring Tee Off. We are going to limit this event to the first 64 players that enter.

Larry will also have "Beat the Pro" this year, you must inform the staff in the pro shop that you wish to participate. Your score less your nine hole handicap against Scary Larry's score. Cost is \$5.00, and if you beat the pro you receive a \$10.00 merchandise credit - if you tie or lose to Larry's score you will receive a \$5.00 credit.

This year Larry will offer a 20% discount on all merchandise sold through the pro shop on the night of the sign-up. This is always a fine opportunity to stock up for the new season.

Larry may be available to play on Tuesdays with anyone that is interested - sign up sheets will be posted in the clubhouse. He may also have some time to play with members on Saturdays - check with Larry, he would like to play with everyone that he can.

The bridge that goes over the creek on #2 has been replaced and looks great. In recent years it had begun to deteriorate and the concrete spillway was virtually destroyed last year. The increased water flow that occurs with heavy rain will be more evenly controlled due to the rip-rap that has been installed.

Jan's Tuesday night Food & Beverage Specials will be available again this year and I am sure that they will be as tasty as in previous years.

WHEN WE PLAY

During the time we spend on the golf course we should remember the basic courtesies of the game, replacing fairway divots and cleaning up ball marks on the greens, as well as remembering that we have to play our rounds in the time frame that has been set by the pro shop. Cart golfers should always make sure that they abide by the direction given by the white marker lines and to park their carts in accordance with the course signs.

W.G.A. LEAGUE

The W.G.A. league play will begin 1992 with a Fun Night on Tuesday April 28th. This doesn't count in the standings but it does give new members a chance to work on establishing their handicap for the coming season, and serves as an occasion to meet some of your new teammates, as well as presenting the opportunity for all players to win extra prizes that evening.

New members must have at least 5 eighteen hole scores posted to establish your W.G.A. league/U.S.G.A. handicap. These scores may come from play at other courses but remember to include that course rating etc. when posting these scores on our handicap sheet. You will find these sheets on the W.G.A. bulletin board near the front entrance of the clubhouse.

If you have any questions regarding league play, contact Kirk Grier at 255-6658.
